Koala saved in bushfires is put down

AN injured koala whose dramatic rescue from the bushfires in Australia went viral on social media has been put to sleep.

The animal, named Ellenborough Lewis, was heard wailing in the clip that emerged last week, which showed him being carried from danger by a woman who took her top off to protect him.

He was taken from the scene in the village of Long Flat to the Koala Hospital in Port Macquarie, where he received treatment for burns to his hands, arms, feet and legs.

Despite the best efforts of staff at the facility, his death was announced in on Facebook.

The hospital said the burns had worsened since Ellenborough Lewis was admitted, and that his condition wouldn't have improved over time as they confirmed they'd put him to sleep.

BLACK FRIDAY IS BOLLOCKS

OFFICIAL

BLACK
FRIDAY
SALE

BLACK Friday sales offer few real deals with most goods cheaper or available for the same price at other times according to consumer group *Which?*.

It said that just one in 20 offers was cheaper during the annual sales, which start this week.

Among products cheaper outside of Black Friday were a tumble dryer, smart speaker, coffee maker and TV soundbar.

***Which?* home products and services chief Natalie Hitchins said shoppers should do research and never impulse buy,**

The consumer group tracked 83 products on Black Friday last year – November 23 – and the items, from retailers including Currys PC World, Amazon, and John Lewis, were monitored six months before the date and six months after.

Just four products were cheaper on Black Friday than at other times of the year.

Six in 10 items were cheaper or the same price on at least one day in the six months prior to last year's Black Friday event.

When looking at the two-week period surrounding Black Friday itself – including sale prices in the week before and after – it was found that three quarters of products were cheaper or the same price in the six months after.

While *Which?* did not find evidence that any of the retailers were breaking the law, they said it showed that so-called deals may not be all they are claimed.

Ms Hitchins said: "We have shown deals touted by retailers on Black Friday are not as good as they seem. Time-limited sales can be a good opportunity to bag a bargain, but don't fall for the pressure tactics."

Xmas dinner to cost more

THE traditional Christmas dinner is likely to make a bigger dent in your wallet this year, because supply issues have pushed up prices.

Fewer turkeys have been hatched after high summer temperatures reduced the number of eggs, according to business consultancy CGA.

Meanwhile, wet weather and floods have hit supplies of vegetables such as Brussels sprouts and potatoes.

It said the risk was supermarkets could pass on the higher costs to consumers.

ELECTION LATEST

DON'T VOTE FOR CORBYN!

BRITAIN'S top Jew has blasted Jeremy Corbyn's Labour Party for not tackling anti-semitism.

In *The Times*, chief rabbi Ephraim Mirvis said that "a new poison – sanctioned from the very top – has taken root" in the party and asked people to "vote with their conscience" in the general election.

Labour's claim it had investigated all cases of anti-Semitism in its ranks was a "mendacious fiction", he added.

POISON CLAIM: Chief Rabbi

Jeremy Corbyn says that Labour is tackling anti-Semitism by expelling members.

The attack came as Labour launched a "race and faith manifesto", which aims to improve protections for all faiths and to tackle prejudice.

Labour has been beset by allegations of anti-Semitism for more than three years, leading to the suspension of a number of high-profile figures such as Ken Livingstone and Chris Williamson, and an unprecedented probe by the Equality and Human Rights Commission.

In his article, the chief rabbi said raising his concerns "ranks among the most painful moments experienced since taking office".

But he claims "the overwhelming majority of British Jews are gripped by anxiety" at the prospect of a Labour victory in December's general election.

He writes: "The way in which the leadership of the Labour Party has dealt with anti-Jewish racism is incompatible with the British values of which we are so proud – of dignity and respect for all people."

He also urged the public to "vote with their conscience".

DON'T VOTE FOR JOHNSON!

THE man who brought down Maggie Thatcher has urged Tory voters to back the little Liberals or independent candidates in next month's poll.

Former Conservative Deputy Prime Minister Lord Heseltine, who served under Margaret Thatcher and John Major, said Boris Johnson's Brexit policy would be "utterly disastrous" for the country.

LIB DEM URGINGS: Heseltine

Heseltine – who stomped out of the Cabinet in 1986 in a tantrum over the Westland Affair – said the PM's "get Brexit done" by January slogan was "nonsense" and there was still a risk of a no-deal exit.

But cabinet minister Michael Gove said his ex-colleague was "wrong" on this.

Lord Heseltine, a passionate Remainer who backs another Brexit referendum, lost the Conservative whip earlier this year after saying he would "lend" his vote to the Lib Dems in May's European elections.

Speaking at an event in Buckinghamshire, he encouraged lifelong Tories to vote for the Lib Dems or three former Tory MPs – Dominic Grieve, Anne Milton and David Gauke – who are standing as independent candidates after being thrown out of the parliamentary party.

"I'm telling them [Tory voters] to vote for what they believe in and what the Conservative Party has stood for all my life and probably all theirs - and to put country first," the 86-year-old said.

Protestors in primary ban

ANTI-LGBT equality teaching protests have been permanently banned from outside a primary school which witnessed weeks of demonstrations, a judge has ruled.

The ban, handed down at the High Court in Birmingham yesterday, includes an exclusion zone surrounding the city's Anderton Park Primary School.

The legal bid had been opposed by protesters, along with an interim ban first granted at the same court in the summer.

The City's council had safety fears over the demonstrations.

BUILDER BAGS £105M JACKPOT

A BUILDER and a shop worker have been named as the winners of a £105m EuroMillions jackpot.

Steve Thomson, 42, and his wife 41-year-old wife Lenka, from, Sesley, West Sussex, were the sixth jackpot prize winners in the UK this year, operator Camelot said.

Their lucky ticket bagged £105,100,701.90 on November 19, the 25th anniversary of the National Lottery's first draw.

Mr Thomson said when he realised he had won that he felt he was "on the verge of having a heart attack".

The winning numbers picked were 8, 10, 15, 30 and 42, with 4 and 6 selected for the Lucky Star numbers.

As he was handed the cheque at the official presentation of the couple's winnings, Mr Thomson said: "I think that's mine."

He also said the couple had made no big purchases yet, but admitted he had bought a new shirt and had a haircut.

LITTLE MIX LEIGH-ANNE ROCKED BY NUDE PIC LEAK CLAIMS

By GRACE HOOPER
news@sundaysport.co.uk

LITTLE Mix starlet Leigh-Anne Pinnock has been rocked by a NAKED photo leak!

A series of six snaps – apparently of the 28-year-old singer – appeared on a notorious leaked photo website.

The snaps show:

- A fully topless woman – who bears a striking resemblance to the singer – taking a selfie in a mirror with the caption "Hehehe The Perkeyness is real".
- The same woman hitching her skirt to reveal a pert bottom
- Another snap of the woman, side-on, fully naked but not showing any minge

The website claims the snaps were hacked from Leigh-Anne's Snapchat account.

Fakers

But there is no way to 100 per cent guarantee they are of the beauty.

A source close to Little Mix said: "They certainly look like Leigh-Anne, but you never know what these sly fakers are capable of."

It's been a big week for Little Mix.

Leigh-Anne, along with bandmates Perrie Edwards, Jesy Nelson and Jade Thirlwall, announced a summer concert tour on Monday.

Along with a number of other big gigs, Little Mix will also headline American Express presents BST Hyde Park – a concert popular with young people.

Little Mix supported Sir Tom Jones at the 2014 event in London, but now organisers have arranged for the girls to play one of the festival's most coveted slots.

An insider said: "BST organisers have wanted to secure Little Mix for ages and now they can finally fit it in."

RONAN'S BABY No5

SINGER Ronan Keating has announced he's going to be a dad again for the fifth time.

The former Boyzone star, 42, is having a second child with wife Storm.

He also has Jack, 20, Missy, 18, and Ali, 14, from his first marriage to Yvonne Connolly.

Ronan told listeners of his Breakfast Show on Magic Radio: "Storm and I are having a baby! It's really exciting, and she's feeling great."

The couple are parents to two-year-old Cooper.

Later, Keating appeared on *Good Morning Britain*, and when host Piers Morgan joked: "You're a breeding machine," the Irish singer replied: "That's it now!"

Australian fashion designer Storm, 38, told the show: "I had a very rough few months but now I'm great."

Caitlyn's hit by 'which is Ant?' probe

CAITLYN Jenner has made an awkward admission while being questioned by *I'm A Celebrity* fans.

The 70-year-old *Keeping Up With The Kardashians* star (*above*) was taking time out from the jungle camp to answer questions during a section of the ITV show's spin-off, *Extra Camp*.

The reality star was faced with the always awkward question of identifying Ant McPartlin from Declan Donnelly and despite seeing them on a daily basis for the past week or more, Caitlyn admitted that she still doesn't know one from the other.

Extra Camp co-host Emily Atack was posing the questions and after a couple of easy openers, she asked Caitlyn: "Do you know which one is Ant and which one is Dec?"

Caitlyn finished an awkward silence by repeating: "Do I know which one is Ant and which one is Dec?"

After another silence, Caitlyn admitted emphatically: "No!"

After much laughter in the studio, Caitlyn continued: "I think Ant looks more like an ant, with darker features, and Dec is a little bit shorter."

Andrew gets croced in Arc of Agony trial

COMEDIAN Andrew Maxwell got up close and personal with a pair of crocs in a cage, one of which went for the campmate as he tries to grab the star he needs.

Maxwell faced the Arc of Agony after the public voted for him to do the Bushtucker trial.

Andrew walked around the trial room – or arc – surrounded by cages. He had to find the keys for the cages then open them and retrieve a star.

One cage, labelled 'crocodiles' had two reptiles right by the entrance and one did not react well to Maxwell trying to get past to get the star.

Ant and Dec were, of course, giggling outside.

Ant says: "Look at him, he doesn't like you!"

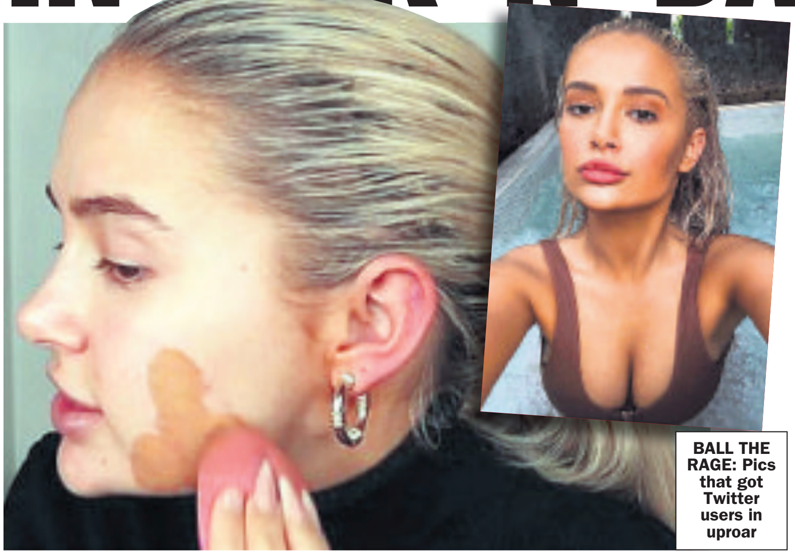
RACE ROW MOLLY-MAE IN COCK 'N' BALLS STORM



BALL THE RAGE: Pics that got Twitter users in uproar

By COLIN HURST
news@sundaysport.co.uk

***LOVE Island*'s Molly-Mae Hague has been hit by accusations of racism – after wearing make-up that people on Twitter reckoned was too dark for her skin.**

Social media keyboard warriors went mental at the blonde beauty after she posted a series of pictures for her online fans.

Scandal

They absurdly accused her of cultural appropriation and of pretending to be black by applying make-up that appeared to give her a deep tan.

The star has managed to weather that storm but has now been hit by a follow-up scandal – a COCK AND BALL image on her face.

The rude pattern was left on her cheek as she applied a dark foundation on her skin in one of the photos.

In response to the ridiculing tweets Molly-Mae, 20, insists that she did not deliberately use the make-up to draw the shape of a man's penis and testicles.

Her friends insist the knob shape on her face was a complete accident.

But that didn't stop internet wags branding her 'cockface' and 'Knobhead'.

One said: "Hah – look at cockface Molly-Mae, careful it doesn't spunk all over your face."

A pal of the babe, who is dating boxer Tommy Fury, said: "Molly-Mae just wanted to show how she does her make-up.

"She didn't expect to be hit by claims of racism and people pointing out she had a cock on her face.

"Neither of the two things were deliberately done.

"She just wanted to do a make-up tutorial.

"Social media can be a cruel mistress."

Kim K: £9m heist drove me to law!

BIG-ARSED sex tape star Kim Kardashian says that being robbed at gunpoint forced her to reconsider her life and eventually sparked her interest in pursuing a legal career.

Kim, 39 (*above*), was staying in Paris during Fashion Week in 2016 when the shock incident took place.

She was held at gunpoint, tied, gagged with duct tape and robbed of £9million worth of jewellery.

In a new interview, the reality TV star detailed how the robbery led to her working in law.

She said: "I truly think once I got robbed, it took something out of me in the best way.

"All the things that really mattered to me then deeply – how many bags I had, what car I drove… I still like all that stuff, but it doesn't matter. It could go away.

"For so long, people have tried to partner me with things.

"But this was the first thing where I thought, 'You know what?'"

Man admits murder bid & terror charges

A LONE-wolf terrorist who launched a knife attack at a railway station last New Year's Eve has pleaded guilty to three counts of attempted murder.

Mahdi Mohamud, 26, shouted "Allahu Akbar!" and "Long live the Caliphate!" as he stabbed and slashed at Anna Charlton and James Knox, a couple in their 50s, at Victoria station, Manchester.

Mr Knox suffered 13 injuries from the fillet knife, including a skull fracture, and Ms Charlton's right lung was punctured and she suffered a slash to her forehead that cut down to the bone.

Mohamud also stabbed British Transport Police Sergeant Lee Valentine, 31, in the shoulder as he was Tasered and pepper sprayed before being arrested at the scene.

FAMILY BLAST SENTENCE FOR CROSS-DRESSING PSYCHO KILLER

BANGED UP: Roderick Deakin-White

By COLIN HURST
news@sundaysport.co.uk

THE family of a woman murdered in the shower *Psycho*-style by her cross-dressing fiancé have slammed his 17-year sentence.

Roderick Deakin-White, 38, beat Amy Parsons, 35, to death with a metal bar while she was showering in a flat they shared in Whitechapel, east London.

She was left naked and bleeding to death after suffering "horrific injuries" to her head, face and brain during the attack on April 25.

Deakin-White was found guilty of her murder on November 19.

Sentencing Deakin-White at Snaresbrook Crown Court, judge John Lafferty said that Ms Parsons was killed in a "most horrendous, savage and brutal way".

He added: "Your view was if you can't have her, no-one can have her, and you killed her.

"There is no sentence I can pass upon you that will bring back Miss Parsons – a young, successful, vivacious and kind-hearted young woman, whose life was brutally taken by you."

Intimate

Judge Lafferty jailed Deakin-White for a minimum of 17 years, reduced by 210 days which he has already served in custody.

During his trial, the court heard how personal assistant Ms Parsons had become unhappy with her relationship, particularly due to Deakin-White's interest in cross-dressing.

Prosecutor Gareth Patterson QC said at a previous hearing: "She was unhappy about this and this was something he had often wanted to do when they were intimate."

He told jurors that Deakin-White became angry and jealous after Ms Parsons began a relationship with her colleague James Saunders a few weeks before the killing.

The prosecutor said Deakin-White launched the attack after she told him she was leaving him.

"Unwilling to accept that she was going to leave him, he used a metal bar to hit her repeatedly around the head while she was showering," Mr Patterson said.

Deakin-White fled the Docklands flat before confessing to a friend, who persuaded him to hand himself in.

Speaking after the sentencing, Ms Parsons's sister, Eve, 40, said that her family was "disappointed" by the length of the jail term and would be lodging an appeal, adding: "Seventeen years does not do her justice."

Body find after floods

A BODY has been found on a road affected by the recent floods in South Yorkshire.

South Yorkshire Police confirmed the man's body was found on Fordstead Lane near Barnby Dun, in the Doncaster area.

The road, between Barnby Dun and Arksey, was under water for a fortnight after the River Don burst its banks earlier this month.

Officers were unable to say how long the body had been in the location.

In a statement, the force said: "Inquiries are under way in Doncaster after the discovery of a man's body.

"Police were called on Saturday, following reports a body. The death is not being treated as suspicious."

Epstein death poll: 45% say it's murder

MORE Americans than ever think beleaguered Prince Andrew's paedo pal Jeffrey Epstein was murdered in prison.

A whopping 45% of Yanks believe the disgraced financier and sex offender was murdered, while just 16% believe he died by suicide – the official cause of death.

New York City's chief medical examiner Dr Barbara Sampson conducted a post-mortem and determined that Epstein died after hanging himself with a bedsheet in his jail cell on August 10.

And yet the number of Americans who believe he was actually murdered has gone up, while the number who believe he died by suicide has gone down.

Polling group Insider used identical framing as a poll taken in August shortly after his death.

In that first poll, 34% said they believed he was murdered, 33% said he died by suicide, and 32% were unsure.

Alisha, 30, was spotted touching the knee of the 38-year-old singer – wed to actress Jessica Biel, 37 – before he took hold of her hand.

The pair were snapped around midnight chatting and drinking in a bar in New Orleans while on a break from filming American football drama *Palmer* in which they play lovers.

But onlookers were shocked to see Justin holding hands with Alisha, and risk upsetting his wife of seven years.

One said: "They were smiling and laughing. At one stage he grabbed her hand and rested it on his knee. She then gently started stroking his leg.

"Then he clutched her hand with both of his and was playing with her hands."

There's no suggestion that anything more than hand-holding went on.

DIRTY SEX SESSIONS: R Kelly (*above*) and Joycelyn Savage

POP star R Kelly liked to PISS and PLOP on his girlfriend during sex, it is claimed.

His ex, Joycelyn Savage, has spoken out in a series of posts detailing how she was treated by the R&B singer.

Kelly, 52, is currently behind bars awaiting trial on charges including child porn and kidnapping.

Savage, who met Kelly in 2015 when she was 19, alleges that the singer choked her, urinated on her and forced her to get two abortions at his home during the four years they were together.

Writing on the paid subscription website Patreon, Savage alleges that, after treating her "wonderfully" at first and telling her he would help her singing career, Kelly began ordering her around.

He would demand that Savage, now 24, address him as "Master" or "Daddy," she said.

Though she was in love with him, she wrote, it only got worse after those first demands.

She had no privacy, as Kelly's unspeaking assistants always watched her – even when she showered.

"He had a couple of houses where we would travel back to, and there were certain rooms I couldn't enter such as the basement," she said.

"It really bothered me not knowing what was behind certain doors.

By BRAD CHADWICK

"R Kelly has cameras on every property he owned, and I thought it was just to keep him and his people safe, but no, it was to keep whatever he was hiding protected."

She described lurid details of their sex life, which happened during her allotted time with Kelly.

The singer liked to urinate and defecate on his partners, she said, and he was into roleplay.

"When I found out I was pregnant with his child I had mixed emotions, and I didn't want any babies with him at all," she wrote.

Kelly was arrested earlier this year on a 13-count federal indictment and has pleaded not guilty to all charges.

Superman's cape set to fly at auction

SUPERMAN'S cape and Bilbo Baggins' tobacco pipe from the original Lord Of The Rings film are among a trove of Hollywood memorabilia going under the hammer.

Nearly 500 items, from Hollywood's "Golden Age" up to modern blockbusters, will be up for sale at an auction in Beverly Hills next month.

One of the most recognisable superhero costume pieces in the history of cinema, Superman's cape, is the headline item from the auction and is expected to fetch around £150,000.

Naked man gets teeth into policewoman

A POLICEWOMAN needed emergency hospital treatment after she was bitten on the arm by a NAKED offender.

Police were called to reports of a man running around the streets of Erskine, Renfrewshire, with no clothes on at around 6.10am last Saturday.

They chased the man down but when trying to arrest him, he bit the arm of a female officer through her fleece.

The shocked policewoman was sent to the Royal Alexandra Hospital in Paisley to receive preventative injections and has been put on a course of antibiotics.

The man, aged 25, is due to appear in court later this week.

Katie goes BUST after blowing £40m

REALITY telly babe Katie Price has been declared bankrupt.

The former glamour model avoided having her assets sold off in December last year after agreeing a plan to pay back what she owes.

But at a hearing in London yesterday she was finally given the shock verdict.

Judge Jonathan Middleton, sitting at a specialist insolvency and companies court, said: "I do judge Ms Price to be bankrupt."

The 40-year-old (*above*), formerly known as Jordan, was once said to be worth more than £40million.

At a hearing in October last year she was given time to negotiate a deal with the taxman and her proposal for an Individual Voluntary Agreement was accepted.

An IVA is a formal agreement which lets people with debt repay their creditors at an affordable rate in a bid to avoid bankruptcy.

However, the renewed bankruptcy proceedings were brought after she failed to meet the terms of the agreement.

Officer axed for Nazi ebay sales

A POLICE officer has been found to have committed gross misconduct by selling Auschwitz and Nazi relics on eBay.

PC Matt Hart, of Northamptonshire Police, faced four allegations relating to the selling of historical items linked to the Second World War, specifically items connected to Auschwitz and the Third Reich.

It was claimed that the officer had breached the standards of professional behaviour relating to "discreditable conduct and orders and instructions".

The officer had sold barbed wire and items described as "fence insulators" during the early part of last year.

Hart had denied all the accusations but a panel said he'd shown an "extreme lack of judgment and insensitivity" and the most suitable outcome was instant dismissal.

FIREBALL DEATH CRASH FOOTIE STAR'S DEATH WAS NOT FAKED

THE body of former footballer Jlloyd Samuel could not be visually identified as it was so badly burnt after his car burst into flames with him inside, his inquest has heard.

Warrington Coroner's Court heard how the 37-year-old (*right*) died following a collision involving his Range Rover and another vehicle in May last year.

His inquest heard there were no suspicious circumstances surrounding the death and no suggestion of "foul play".

The *Sun on Sunday* reported the former Aston Villa and Bolton Wanderers footballer's sister, Leslie-Ann Samuel, had claimed his death was faked.

The paper said she believes that her brother was not at the wheel of the car when it burst into flames following the crash in Cheshire, and that he is still alive.

But yesterday Dr John Sellar, a forensic odontologist, said he was satisfied that teeth from the dead body matched a dental chart and radiographs taken from Mr Samuel's mouth prior to the crash.

Sample

Meanwhile, forensic biologist Alexandra Clark said that a blood sample taken post-mortem matched that of cellular material taken from the footballer's hairbrush and clippers.

She said evaluation was done on the hairbrush to see if the samples were a definite match to Mr Samuel: "This is as clear as we can be."

The inquest continues.

Bike thief smeared his own face with SHITE

JAILED: Dirty villain Liddall

A BIKE thief smeared his face with his own SHIT in a bid to avoid being quizzed by cops after his arrest.

Scott Liddall, 39, carried out the dirty protest after he was found in a part of Derby city centre he had been banned from entering.

He was handed the banning order after being convicted of repeatedly stealing bikes.

Now Liddall, who has 20 previous convictions for 89 offences, has been jailed for a total of 62 weeks.

By GRACE HOOPER
news@sundaysport.co.uk

Prosecutor Stuart Lody said: "He is 39 years of age and he has an appalling record.

"He is one of the most prolific bike thieves in the city of Derby who has achieved a degree of notoriety over the years as a result of his criminal record.

Fled

"When he was arrested and the police attempted to interview him, instead of providing an explanation or simply exercising his legal right to refuse to answer questions, what he did was to smear his face with his own faeces in order to avoid being taken into the interview room."

In September 2018, police released a video of Liddall that showed him being approached by an officer at the Pride Park entrance to Midland Railway Station.

Liddall, who then lived in Derby, fled on the bike down a footpath but was eventually arrested.

On that occasion Liddall was jailed for 36 weeks and handed a criminal behaviour order.

Under its terms, he was not even allowed to touch a bike for three years and was banned from entering certain parts of the city centre.

But Mr Lody told the new hearing how he had breached that on three occasions in August and September when he was found in the city.

And on a separate occasion, he was also found to be in possession of a bike.

Liddall, of no fixed address, pleaded guilty to breaching the order.

Perv held over cop shop tug

A PERV was arrested after he started wanking himself off in the foyer of a POLICE STATION.

Jamesley Jaques, 22, was waiting to speak to the front desk of the Gainesville Police Department in Florida, when he began furiously masturbating.

When a cop approached him, Jaques said he wasn't masturbating, but "praying" to his penis.

He was charged with disturbing the peace.

A MIDAIR collision between two helicopters killed 13 French soldiers in Mali.

The troops had been fighting against Islamic extremists.

French president Emmanuel Macron expressed "deep sadness" at the news of the Monday evening crash, which took place during a combat operation.

In a written statement, Mr Macron (*right*) expressed support for the French military and stressed the "courage of the French soldiers" fighting the persistent Islamic threat in the Sahel region.

Jailbird's free speech hit over held sex letter

A FEMALE prisoner claims a jail violated her free speech by keeping a "dirty" letter she'd written to her inmate boyfriend.

Jailbird Stacy Maczis sent several love letters to the unnamed lag, explaining: "You could write anything, as long as it didn't have to do with violence, direct threats, criminal activity, drugs or any of that type of thing."

The 47-year-old was free to write whatever she wanted when it came to sexual content – just not allowed to send nude photos.

Maczis claimed an officer told her: "We've had stuff that would make your hair curl, but we still send it through… it's fine."

She wrote one letter, which her boyfriend, 35, received, but a second one was flagged up as being "sexually explicit".

"It was floating around in the jail for a month," she said.

Maczis said that the incident at Carroll Co Detention Center in Kentucky violated her right to free speech.

Pet dog does reverse loops in owner's car

A DOG slipped a car into gear and reversed backwards around a cul-de-sac in circles for an HOUR.

The black Labrador eventually smashed the vehicle into a neighbour's property before safely jumping from the motor unscathed.

A neighbour said: "At first I thought I saw somebody backing up, but then they kept going, and I'm like, 'OK, what are they doing?'"

Police and the fire brigade watched from a distance as the driving dog did doughnuts in the road in Port St Lucie, Florida, before it hit a postbox and stopped.

The dog's owner, who asked to remain anonymous, admitted he'd left his car running in the street when the dog accidentally changed gear and the car shot back.

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

By JAYNE FERGUSON

news@sundaysport.co.uk

NO-ONE knows for sure how many met their end at the hands of mass murderer William 'Bill' Suff.

All we do know is that the 12 officially confirmed slayings should never have been allowed to happen – because Suff should already have been behind bars.

After he brutally killed his two-month-old daughter Janet in 1974, Suff was sentenced to serve 70 years in a Texas prison.

The criminal justice system, however, failed spectacularly. After just 10 years behind bars, Suff was released on parole.

Within two years, he had embarked on a bloody spree that, according to some, would claim around 30 lives.

He became known as the Cannibal Cook after being suspected of using human meat from his victims to make his own special chilli in cooking competitions.

All the women pictured here – and many more – are believed to be his victims. Three of them had their breasts hacked off.

SICK: Suff violated Christine Leal's body after killing her

No wonder the families of those he viciously beat, strangled and mutilated were still reeling when he was finally handed a death sentence in 1995.

But Suff, now 66 and an apparently well-behaved inmate in California's notorious San Quentin prison, remains unrepentant and refuses to admit his guilt.

As District Attorney Grover Trask said at the time: "Mr Suff is the poster child for someone who deserves the death penalty. He is what the death penalty was made for. The sooner he dies, the better."

Born in Riverside County, south California, Suff was considered a 'friendly nerd who was always doing things to help people', a loner who wasn't particularly good academically but was always friendly to those around him.

Beating

He worked as a store clerk at John's Service Centre, answering the phones, sorting mail and helping customers.

Away from work he was a *Star Trek* geek who would often babysit for neighbours.

Shop owner Eric Snyder said: "He used to buy sodas for all the grandkids. He seemed real nice."

That warm reputation was shattered when Suff and his first wife Teryl were arrested in 1974 for beating to death their weeks-old child Janet.

Suff told cops the baby 'must have fallen out of the crib'. But the poor mite had suffered massive haemorrhaging caused by a beating so severe that her liver was ruptured.

There were historic injuries too – 13 broken ribs, fractured shoulder, extensive bruises on the face and arms, bite marks on her abdomen and a cigarette burn on the sole of one foot.

And there was evidence that proved Suff was the perpetrator.

With an entire community revulsed, Suff was sent down for 70 years.

Teryl divorced Suff while he was inside, while the couple also lost custody of their other child, four-year-old William Jnr.

Despondent, Suff wrote in a letter, 'Divorce is the second worst word in the human language. The first is goodbye. I was never really alive to begin with'.

But by March 1984, Suff was back on the streets, bizarrely released on parole.

And he appeared to have put his divorce woes behind him by marrying second wife Cheryl Lewis.

The first hint at the carnage to come arrived when Suff left Teryl a threatening note.

She reveals: "He said he knew where I was, he knew where to get me – and he would get me."

More alarm bells should have rung when Cheryl and Suff's daughter Bridgette Ann was taken by authorities after suffering brain damage and other injuries.

The Suffs were investigated but never charged with a crime.

Around this time, friends of Suff started noticing how he would often make derogatory comments about the sex workers he'd see on the strip close to where he lived.

In 1986, six years of killing began.

Suff had begun work for Riverside County as a stock clerk, mingling with the local law enforcement officers.

In the years that followed, as Suff killed women remorselessly, he entered county cook-off competitions. His tasty chilli recipes won him first prize on more than one occasion.

It was never admitted publicly, but prosecutors suspect he had a chilling secret ingredient... human meat.

On October 30, the first of a suspected 19 victims – Michelle Yvette Gutierrez, 23 – was found dead, her body strewn with rubbish and half-naked.

She'd been stabbed in the face and chest. Her pubic hair had been ripped out by hand.

The cause of death was strangulation, but Michelle had also suffered extensive mutilation to her body.

Two months later, the corpse of Charlotte Jean Palmer, 24, was found near a motorway.

Due to the staggering number of injuries, coroners could not pinpoint a precise cause of death.

In early 1987, single mum and fast food restaurant worker Linda Ann Ortega, 37, was found strangled and naked in bushes.

Strangled

The body of Martha Bess Young, 36, followed in May 1987. She was found naked in a gully, her eyes wide open.

More than 18 months passed before blonde Linda Mae Ruiz, 37, was found dead. She'd been strangled and smothered by having her head forced into sand.

Kimberly Lyttle, 38, was found strangled in June 1989, while recently-divorced Judy Lynn Angel, 36, was discovered bludgeoned to death five months later. Deep gashes on her arms and hands suggested attempts to fight off a knife attack.

In January 1990, Christina Leal, 23, was found half-naked, having been sexually assaulted and stabbed

through the heart.

Investigators were shocked to find that a light bulb had been inserted into her vagina.

In the same month, a jogger stumbled upon the corpse of Darla Jane Ferguson, 39, mother of four children.

In February, 35-year-old Carol Lynn Miller turned up dead having been missing for a month. She'd been stabbed multiple times in her breasts.

Cheryl Coker, 33, was found dead in November 1990. She had been strangled and her right breast had been severed and placed beside her.

Between January and August 1991, the bodies of Susan Sternfeld, 27, Kathleen Leslie Milne, 42, Cherie Payseur, 27, Sherry Ann Latham, 37, and Kelly Marie Hammond, 23, were all found in quick succession.

Cherrie had a toilet plunger inserted into her.

In September 1991, 30-year-old Catherine McDonald was found dead, her right breast removed.

The following month, the body of Delliah Zamora Wallace, 35, was discovered in undergrowth.

Eleanore Ojeda Casares, 29 – thought to be Suff's final victim – was found two days before Christmas 1991. Once again, the right breast was missing.

Weeks later, the detectives who'd been hunting a serial killer for five years finally got the break they needed.

Bloody

Suff was pulled over for doing an illegal U-turn in Riverside's red light district.

Officers quizzed him over the area's well-publicised murders.

And when they found a rope and bloody knife in his van, DNA evidence linked him to various crime scenes.

On July 19, 1995, a Riverside County jury found Suff guilty of killing 12 women and attempting to kill another.

The prosecutor, Paul Zellerbach, trembled as he told the court: "Mr Suff is no longer a member of the human race. He is evil.

"By the nature of the crimes he has committed for 22 years, he has no heart, he has no soul and, by God, he has no conscience."

On October 29, 1995, Suff was handed a death sentence.

Ana Zamora, the sister of Delliah Zamora Wallace, said: "It's a very happy day. He is going to feel the same pain that he has caused us."

Bunny Harrison, the sister of Sherry Ann Latham, added: "Now I know that he'll never be able to hurt another person.

"As long as he can't hurt anyone else, then my sister didn't die in vain."

Like many desperate serial killers, Suff appealed against his death penalty.

But in 2014 the California Supreme Court upheld his sentence, describing Suff as 'pathological' and 'manipulative'.

SLEEPING PILLS OAP STRIPPED SOUP KITCHEN GIRLS

JAILED: Abuser Cox

A TWISTED pensioner who spiked the coffees of women before sexually abusing them as they slept has been jailed for five years.

Terence Cox, 66, preyed on vulnerable women at churches and soup kitchens – stripping them and photographing their naked bodies after they had fallen asleep.

Cox pleaded guilty to four attacks against four different women between April 2016 and May this year.

The first victim was Cox's former partner and he had been living with her at the time of the offence.

Naked

A court heard that after drinking a coffee Cox had made for her, she could only recall waking up the next morning naked.

Cox lied, saying she suffered an epileptic fit.

The woman later discovered three images of herself on Cox's phone lying naked.

His second victim was a friend he had met through attending the Eagles Wings Trust, a homeless charity in Dundee.

She took valium at Cox's home and recalled waking up naked in his bed on an occasion in September 2016.

By COLIN HURST
news@sundaysport.co.uk

Prosecutor Stewart Duncan said: "She shouted at the accused and demanded to know what happened.

"The accused said that she fell asleep in the living room and he removed her clothes because he didn't want her to get sweaty."

Two other victims were lent money by Cox before he abused them.

One of the women stayed at Cox's home and woke up to him touching her "privates".

Passing sentence, Sheriff Tom Hughes said: "The conduct here is utterly unacceptable and will obviously require an extensive custodial sentence."

Cox, of Dundee, was placed on a supervised release order for 18 months and he will be on the sex offender's register for life.

TEEN PUPIL BONKED 20-STONE DINNER LADY IN RETURN FOR EXTRA CHIPS

NICKED: Tedria arrives at court (*above*) and (*below*) her police mugshot

By BRAD CHADWICK
news@sundaysport.co.uk

A SCHOOLBOY got extra helpings of chips from a 20-stone dinner lady – in return for her getting extra helpings of his teen COCK!

Randy gutbucket Tedria Fluellen served up sauce to the pupil as he queued for his grub and eventually started sending the 15-year-old lad snaps of her naked busters and dripping wet MINGE!

She then invited the pupil to come and have sex with her, offering him massive portions of chips and pudding if he satisfied her gaping lust.

Messages

The teen's grandma reported the alleged affair after she found sexually explicit text messages on the boy's mobile phone.

Fluellen, 51, admitted to having sex with an underage student, who told officers they had sex four times at his house, Fluellen's home, in the car park of Worthing High School in Houston, Texas, and in a storage unit.

Fluellen is charged with sexual assault of a child under 17.

Her bail was set at £40,000.

In court, Fluellen's defence attorney said that she has worked at Worthing High School for two years, but did not confirm what her specific role is.

"This is a public safety issue, even though these are only allegations at this time," the judge said to Fluellen.

The scandal has rocked the school.

Parent Juanita Rojas stormed: "Not only was this lady doing sex with this young man, she was also feeding him extra food, which is contrary to the school's stated anti-obesity programme."

CAT & GOAT HAD SEX WITH LAD, 15

A COUPLE who dress up as animals for "furry" sex have been arrested for abusing a 15-year-old boy.

Jacob Becker and Emily Javins, of Penn Township, Pennsylvania, were arrested on Saturday after the boy's dad found sexually explicit Facebook messages and called the police.

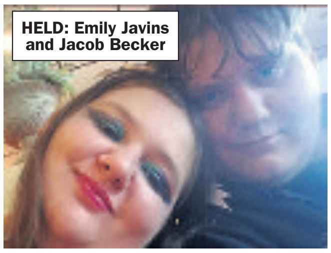
The teenage victim told officers he'd been involved in a sexual relationship with Javins, 22, and Becker, 26, and that Javins is a "furry" who dresses as a cat, and Becker a goat.

Javins told police she met the victim during a game of *Dungeons and Dragons* when the victim was 15.

She also admitted sitting on the victim's lap and kissing him shortly before his birthday.

Javins told cops she had sex with the teen the next day, and Becker also engaged in sexual acts with him.

The couple told the teen they would move him in with them once they got an apartment.



HELD: Emily Javins and Jacob Becker

Becker admitted that they asked the juvenile if they could adopt him like a pet.

There was "racy role play" which included putting a collar and leash on the teen, they said.

Becker added that he also sent the boy nude videos and photographs.

Both Javins and Becker are being held on £14,000 bonds.

Naked pool stunt rider defends vid

A PISSED tourist who was filmed driving a scooter into the pool at his Bali villa while naked has defended the drunken stunt.

The 23-year-old, of Perth, Australia, posted the footage on social media.

He posted a second video showing the scooter being pulled from the pool with its engine still working, despite leaking water from its exhaust.

The man, referred to only as Raymond RB, admitted that the incident was an "alcohol-influenced situation".

While the video has received a negative backlash on Facebook, Raymond revealed he owned the scooter as he spent four months in Bali every year.

He added: "I'm not too bothered by people saying I'm immature.

"I just don't want people thinking it's a rental scooter – or that I'm disrespecting the locals."

***VIENNA Blood* is set in – you guessed it – Vienna in 1906.**

Gruff detective Oskar Rheinhardt (Juergen Maurer) is told that a young doctor – Liebermann (Matthew Beard), a fan of Freud – will be shadowing him to learn about "the psychopathy of the criminal mind".

Back in 1906, Vienna was the capital of the Austro-Hungarian Empire – a ludicrous assembly of peoples who hated each other. It started the First World War and was then consumed in its flames.

Vienna Blood, an Austro-British production, is described thus in the posh papers: "lavishly rich and carefully textured as the finest apple strudel."

And at an hour-and-a-half per episode, it's a good enough way to spend your Monday evening.

Naturally, as this is just another police procedural set in another time, the cop is a maverick.

And the women are feisty. This is the BBC, after all.

But we've tracked down snaps of the leading ladies without their Viennese frocks...

WOMAN IS LICKED OUT ON BACK SEAT OF BUS

A COUPLE were thrown off a bus when the driver saw the randy female getting LICKED OUT on the back seat.

An arrest warrant has now been issued for the woman who had sex on the New South Wales bus during the morning commute.

Wonder French, 31, was due to be sentenced yesterday at Newcastle Local Court in Australia over the March sex romp, but failed to appear.

Magistrate Peter Barnett said it was the second time in a week that French had not attended court and issued a warrant for her arrest.

He also convicted French in her absence of two counts of assaulting police, one of resisting police and one of obstructing police in relation to a separate August incident.

She was caught having sex with Ryan Jones, 24, after getting on a bus on March 29.

In that case French pleaded guilty to offensive behaviour, inciting the commission of crimes and using offensive language after she had initially denied the charges.

Court documents revealed bus driver Hugh Williams looked in his rear-view mirror and saw Jones and French having sex on the back seat, with Jones performing oral pleasure on her.

When the bus driver stopped to pick up a female passenger, he ordered the pair off as their behaviour was "offensive" to others.

Police alleged French was inciting Jones to be abusive and violent, shouting: "Tell him to get f**ked! It's not his f**king bus."

When the pair tried to get on a second bus and were rejected, French abused the driver, telling him: "Do what you're f**king told c**t. It's public transport so you have to f**king take us."

Jones then told the driver: "I'll f**king smash you c**t."

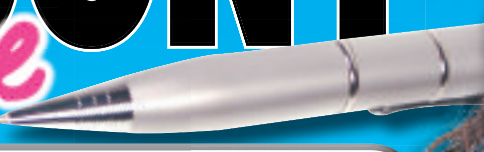
THE WORLD FAMOUS AGONY Page



Dear Ashleigh,

I'M a massive fan of the *Midweek Sport* – I buy the paper every week and really love the photos of pretty glamour girls in it.

I regularly dash off to the bogs at work with the paper, to enjoy them in private.

I mentally caress their boobs and slide my hands up their soft thighs, and all these erotic thoughts set me up for a hard day at work.

There are just so many amazing girls in your paper, I couldn't possibly pick just one out as my favourite.

But my gaffer at work told me last week that I spend too much time in the shithouse.

I think he might be on to me.

What should I do?

DA, Doncaster

Ashleigh says…

IF it's a sacking offence you'd better take the paper home and do your caressing there.

Dear Ashleigh,

I CAUGHT my wife shagging my best mate in our house.

They didn't see me at first so I was very quiet and spied on their sex play for a while.

I watched as he took her knickers off and tongued and fingered her wet fanny.

She was loving it and was begging him to f**k her, so he did her from behind on the couch. He was pounding away and her tits were swinging all over the place.

Then she took it up the arse, something she has never let me do!

But I found it a real turn-on watching her shagging another bloke.

I'm now thinking of asking her if I can watch her when she has sex with other men, and not just my mate.

I'd particularly like to see her being spit-roasted by two blokes at the same time. Do you think I should ask her to arrange it?

DF, Leeds

Ashleigh says…

SHE might like to be watched having sex and give you sloppy seconds afterwards!

Dutch courage took me for walkies to dogging spot

Dear Ashleigh,

THERE'S a nympho called Nicky who lives in our area, who's mad for dogging and sex with strangers.

She's sex mad and most evenings can be found in a local car park with a few cocks up her chuff.

I've seen her in action myself and while I've belted a couple off the wrist watching her turn a few tricks, I've never shagged her.

But the other night, after a few pints in the local, I was in a right randy mood and I knew there were a few spots on the edge of town where she liked to get her in-car entertainment.

So I had a walk around and soon enough I spotted her old white Ford Escort parked up behind the village hall and peered in. And to my delight she was being done up the bum by a young lad.

I looked on with glee as he pumped her brown hole with impressive stamina and she was moaning her head off and clearly enjoying the experience.

When he'd finished I climbed in the back seat and went straight to work.

To be honest, I didn't even touch the sides, but when I pulled out she gave me a brilliant blowjob.

Then I noticed several fellas grimacing in the back window with their cocks out – an image which is haunting me now. Help!

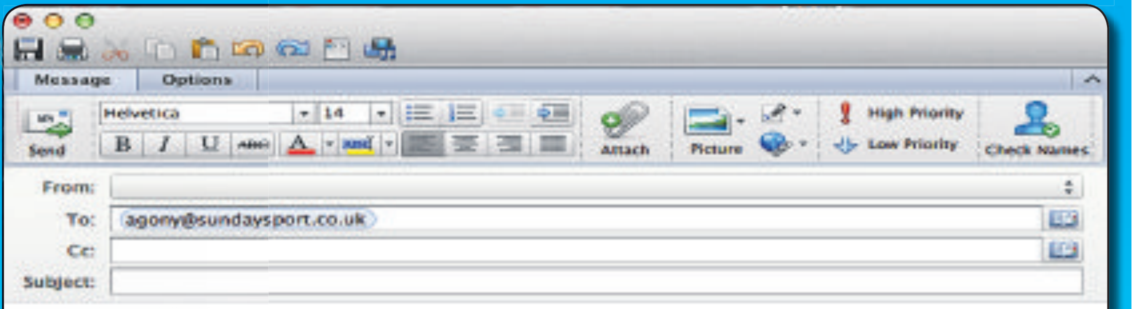
RL, Glasgow

Ashleigh says…

YOU'VE had your fun now – so stop moaning.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...



To: agony@sundaysport.co.uk

Watching hubby romp with busty blonde brings me off

Dear Ashleigh,

I'VE been married to my hubby for five years and thought that we had a great sex life.

But he dropped a bombshell a couple of weeks ago when he told me he wanted to shag another girl while I watched them at it.

And I was more shocked when I realised how turned-on I was by the kinky idea!

So I agreed to it and we set about arranging to meet someone.

We didn't want it to be a woman we both knew, so we went online and signed up to some swingers' sites.

We soon found a lady we both liked the look of, and her profile fitted in with what we wanted, so we contacted her and arranged to meet up.

When she arrived at our house she looked even better than her online photos – she was blonde and busty with long legs, in her mid 30s.

Horny

I could see my hubby fancied her straight away and that made me feel pretty horny, too.

We had a few drinks together and relaxed in the lounge before my hubby made the first move and asked if she'd like to pop upstairs to our bedroom and get more comfortable.

So we all trooped upstairs, giggling away and playfully groping each other on the stairs and once in the bedroom the other girl slipped her arms around my man's neck and kissed him full on the mouth.

Then she knelt in front of him and unzipped his flies, taking his hard cock in her mouth.

She was soon licking and sucking on his balls and slipped her hands between his arse cheeks to touch him round the bumhole, too.

Then she pushed him back onto the bed and clambered on top, gripping him between her thighs and lowering her pussy on his cock.

He was moaning and begging her to f**k him but she stayed still, teasing him for a while until he was bucking his hips.

She looked at me questioningly and I told her to f**k him hard.

So she ride him fast until he was ready to explode, before rolling onto her back and telling him to wank himself off all over her bare boobs.

It was the horniest thing I'd ever seen – her on the bed and him kneeling over her, pulling himself off before splashing his hot juice all over her.

And I brought myself to the most amazing climax watching them.

Now he wants me to have sex with the woman too, but I'm not sure.

SD, Maidstone

Ashleigh says...

YOU should only ever agree to do things you are comfortable with. Tell him you like the way things are at the moment.

Hungry babe likes to nibble on my meat

Dear Ashleigh,

MY girlfriend pretends to bite my knob while she's giving me a blowie.

Not properly, mind – she just occasionally scrapes her teeth along my length or the tip.

She says her ex really got off on it, but it freaks me out and I haven't been able to climax in her mouth, even though her gobbling technique is first rate.

Any advice?

LD, Bury

Ashleigh says...

TELL her you're NOT her ex, so she needs to cut it out!

Dear Ashleigh,

I'M quite a large fella – I'm 6ft 3in tall and weigh around 15 stone – but my cock is only three and a half inches long when it's erect.

My missus says the size of it doesn't matter to her, but I feel really terrible about it.

I would really love to be able to give her more meat, and have been thinking of maybe having a penis extension operation in the New Year.

Do you know if they cost a lot of money?

DB, north London

Ashleigh says...

IF your girlfriend is happy, why worry?

Dear Ashleigh,

I CAUGHT my wife with our window cleaner a couple of weeks ago.

To my amazement, I got really aroused as he fked her in a number of positions.**

They couldn't see me as I was peering through the lounge window, so I tossed myself off as he nailed her.

The mucky fella was really pounding away and she was screaming at him to give it to her.

Later on she tugged him off until he spunked all over her face and tits.

And boy did he have a load of soapy suds to spill!

This happens every week now and my sex life with the wife has improved no end.

Do you think I'm some sort of pervert?

HC, Lancs

Ashleigh says...

NO – just a man with very clean windows!

Dear Ashleigh,

I AM a 40-year-old woman and have been married to my fella of 50 for 10 years.

I thought we had a good sex life together until I found a massive stash of porn in the shed, where he seems to spend more and more time these days.

He's got a small TV and an old DVD player in there and he must have a hundred or more porn films.

Is this normal for men of his age?

What shall I do?

SR, Oxford

Ashleigh says...

WATCH some together!

DO YOU HAVE A SEX PROBLEM?

I JUST love big butts on a woman!

I consider myself mainly straight but now and again I lust after some girl-on-girl action – and she needs to have a peachy bum.

I have a thing for girls with big fake boobs – the bigger the better – and a small waist.

A girl with a filthy look in her eye, like she'll do *anything*, is what I'd like.

I've slept with a couple of women and I'm keen to do that again.

Women can be so sensual – their soft lips, their killer curves, the way they tease.

I've had some very intense orgasms with girls – when *we* lick pussy we know *exactly* what we're doing!

CURVY Charley Atwell was once caught SHAGGING in a car park by the POLICE.

Charley, 28, from Romford, Essex, was going at it like the clappers with her hunky fella in a train station car park when they were spotted by cops.

Instead of being mortified by the ordeal though, the 34E mega-boobed beauty thought it was hilarious.

She said: "I got caught by the cops having sex in a train station car park!

"The officer looked really shocked and suggested we do it somewhere more private next time.

"I couldn't stop laughing. It wasn't embarrassing, just funny!

"I love doing it outdoors, especially in the rain. I've done it loads of times.

"It's really sexy and better than just having sex in a bed all the time.

"Fumbling around outdoors is always fun – even if you do get caught!"

BANKER James Acton might be a posh toff but he loves a good pair of boobs just like the rest of us.

James, 41, from Chelsea, London, emailed asking for a busty photo of 34C Natalie Denning.

He said: "I spend my days counting the money of the rich and famous, but I'd love to spend a good wad of my own dough on Natalie.

"She's got a cracking pair of boobs and I wouldn't mind whisking her away for a naughty weekend in her home city of Worcester.

"Not that we'd be seeing much outside the hotel!"

NICOLE SMITH

POSTMAN Gareth Davies wrote in asking for a sultry topless snap of his favourite glamour girl, Nicole Smith.

The Rhyl-born postie, 36, delivers the Welsh people's post every day but its 26-year-old Nicole who he wants signed, sealed and delivered.

He said: "She's a real woman. Maidstone is quite a way away, but if Nicole is there it's well worth the drive.

"I definitely wouldn't mind putting my stamp on those 32C knockers!"

RACHEL ALDANA

KENNEL owner Frank Watts deals with dogs every day but says there's nothing wrong with Rachel Aldana's bouncing puppies.

The 57-year-old opened his kennels 30 years ago in Horsham, Surrey – but away from animals, he feasts his eyes on Northampton babe Rachel, 28.

He said: "I'd love a topless photo of her to keep me busy on the cold, lonely winter nights.

"I look after other folks' pets during the day, but at night there's only two puppies I enjoy ogling – Rachel's 30Ls!"

KEY MEN: Klopp and Mo Salah

REDS CAN GET EURO JOB DONE

HOLDERS Liverpool will qualify for the last 16 of the Champions League as group winners if they beat Napoli at Anfield this evening the first of three home games the Reds have in the next eight days with Brighton and Everton to come in the Premier League.

The Reds lost in Italy on Matchday One for the second successive season but it didn't do them any harm last term and it is unlikely to do so this campaign. Liverpool have won their last seven Champions' League group ties and scored 24 times in the process. Jurgen Klopp's side continue to ride their luck in the Premier League but Napoli have never won in England and their record on the road against Premier League sides is D2 L6.

Napoli arrive on Merseyside without a win in their last six (D5 L1) and they are 11/2 with BetVictor to take all three points and leapfrog Liverpool in the group E table. The Reds are 4/9 to take maximum points and won the corresponding game 1-0 last season courtesy of Mohammad Salah's first-half strike.

I feel Napoli will score this evening although the recommendation must be for Liverpool to win and both teams to score at 9/5.

Chelsea, Ajax and Valencia all have seven points ahead of the Blues visit to the Mestalla and a Valencia side who won the reverse fixture 1-0 at Stamford Bridge on Matchday one. Chelsea have never lost at Valencia in three previous visits (W2 D1) and I believe they will get a positive result in Spain.

Result

Chelsea were outstanding in the opening 20 minutes at the Etihad on Saturday although they were ultimately well beaten by the champions – although they had less than 50% possession against Lampard's young side – but Valencia also lost 2-1 at the weekend.

The Blues defeat in Manchester ended a run of seven away wins for Chelsea and they are 11/10 to book their place in the last 16 with the hosts 11/5 and the draw 27/10. The Blues entertain Lille in their last group game and a draw at the Mestalla would not be the worst result. 1-1 is 13/2 at BetVictor and that is the tip.

Arsenal just need a point against Eintract Frankfurt to qualify for the last 32 of the Europa League.

Frankfurt have lost their last three since beating 10-man Bayern Munich 5-1. Arsenal, last season's beaten finalists, are currently eight points off the top four in the Premier League and the Europa League is, arguably, their best opportunity of returning to the Champions League next term. I certainly don't think they will finish above Liverpool, City, Leicester or Chelsea this term.

The Gunners are 9/2 favourites to go one better than last year in the competition which surprises me. I would suggest Wolves at 20/1 represent better value and Arsenal at 17/20 look too short for me against the Bundesliga outfit despite their own modest form.

The recommendation must be for Frankfurt in the double chance – draw or win – at 9/10 at BetVictor.

GET BACK: Alexander-Arnold

Carra: Back to future for Trent

YOUNGSTER MUST DEFEND BETTER SAYS KOP LEGEND

By PAUL THOMAS

TRENT Alexander-Arnold will not be a top defender until he starts tracking back.

That's the view of Kop legend Jamie Carragher who believes the England full-back doesn't work hard enough when he loses the ball.

Crystal Palace's goal against the Reds at the weekend came from Alexander-Arnold leaving his right back berth empty.

And Carragher thinks it's a common problem that the youngster needs to sort out — despite his obvious talent at getting forward.

He said: "This is my biggest problem right now with Trent, you have to sprint back but he's jogging.

"I think if he gets back quick enough, he actually gets goalside and maybe forces the attacker to make a different pass.

"But because of that initial lack of panic, you'd usually have that panic to get back.

"I've seen it a lot now. I don't know if it's something that Jurgen Klopp mentioned or speaks to him about.

"There was a goal last year at Arsenal which was exactly the same, Arsenal scored the goal and drew the game 1-1.

"It's almost like he jogged back like he feels like it's nothing to do with him."

Carragher understands why it happens because Alexander-Arnold is such an important attacker for the team.

But he believes it's an area of the 21-year-old's game that can be improved.

Trade-off

Carra added: "It's the trade-off, you'd never take Trent out of Liverpool's team.

"But what I'm saying is it's not a trade-off where you say it's OK to not be sprinting back and be better defensively.

"You want to keep what he's got in terms of going forward because he's the most creative player in Liverpool's team, but he's still got to improve on the other side of things.

"And I hope that message is still getting given to him on a daily basis by the staff.

"Just sprint back, it's very basic."

Meanwhile, Liverpool have been linked with a surprise deal for Wolves youngster Owen Otasowie.

The 18-year-old has yet to break into the Molineux first team despite some impressive displays for the Under-23s.

He is out of contract this summer and the Reds would be interested in signing the midfielder.

JESUS: TRUST ME GAFFER!

GABRIEL Jesus says he's more than capable of filling Sergio Aguero's boots.

Manchester City's record goalscorer is facing a spell on the sidelines after injuring his thigh in the weekend win against Chelsea. There's not many teams who have a Brazil's No9 on the bench ready to step in — and he's determined to take his chance.

By JOHN ANTHONY

Jesus has cut a frustrated figure in recent months as he struggled to push Aguero out of the team and boss Pep Guardiola only wants to play one up front.

But he also admits that he learns a lot from the Argentina legend and will put that into practice.

Jesus said: "Sergio is a great guy and top player, so I had to do that, learning with him.

"I am not happy because Sergio is injured. Of course I don't like it when my friends are injured but I work here every day and I am ready to play.

"When I decided to come to City I knew it was going to be hard because we have Sergio, who is the top scorer of the club and he scores every game.

"I knew this but I have a chance to play with Pep Guardiola, with top players at a great big club. That is why I came, to enjoy and learn."

Guardiola admits that the 22-year-old has had a tough time since signing from Palmeiras last year.

He has been hit by a series of niggling injuries and his club boss is impressed by the way he has handled the ups and downs.

Pep said: "To cope with that is not easy for Gabriel, but there is no other striker at this level who can be so humble and accept this situation as Gabriel.

"I'm not happy that he doesn't play. He never missed or failed one training session in a bad condition or for bad behaviour.

"That's why when he says he wants to learn, it's the truth.

Problems

"Sometimes the players say that to be gentle with the manager or with the media, but that's the reality. He's an incredible guy in those terms.

"Of course we are going to miss Sergio because we need him and unfortunately we've had a lot of problems this season with injuries — big ones with Leroy Sane and Aymeric Laporte.

"But meanwhile we have Gabriel and Raheem Sterling, who can play in that position, so we are going to live without him for a while."

Jesus is happy to be getting into the team at a busy time of the year. They have 11 games between now and New Year's Day.

He added: "We just need to keep focus. There are more games coming up and we know they are going to be difficult.

"So we just need to keep going. We go to the weekend now and we need to focus on that."

CROCKED: Aguero

KANE GUTTED BY ARCH ABUSE

CRICKET

NEW ZEALAND captain Kane Williamson says the alleged racist abuse suffered by Jofra Archer is "horrific".

The England seamer pointed out the insults on Twitter after he batted in the Three Lions' defeat at the Bay Oval.

Williamson is angry and will personally apologise to Archer ahead of the second Test, which starts on Thursday.

He said: "I will try, over the next few days if I can see him, definitely.

"I can only apologise on behalf of Kiwis to Jofra, not only from our team and how we look to conduct ourselves, but what we expect of Kiwis in general.

"It's certainly against everything that we as Kiwis are about and I certainly hope that nothing like that ever happens again.

"It's a horrific thing. In a country, and a setting where it is very much multi-cultural, it's something we need to put to bed quickly and hope nothing like that ever happens again. It certainly won't if there's any influence we can have on it."

England managing director Ashley Giles has echoed Williamson's words.

He said: "The tweet that went out was obviously emotional, it hurts.

"We fully support Jof, obviously, there is no place for racism in the game, in any game. Jof is part of our team but, whatever the abuse, we'd be absolutely right behind him.

"You know what our team is like, they'll rally round him pretty well I should imagine. But it's a serious incident. He's a young man making his way in the game and we just don't need this sort of thing.

"It's a problem in sport still, clearly. It's terrible in this day and age that this sort of thing is still happening and when it does happen and that person isn't identified much quicker, even by the people around them it's really disappointing.

"We're working really closely with New Zealand Cricket and I've spoken to their chief executive David White this morning."

MAGIC: Hourihane

Magician Hourihane conjures up big win

STEVE Bruce says Conor Hourihane is a "magician" after he fired Aston Villa past Newcastle.

The Brummies bagged a precious 2-0 win against the Toon thanks to his "wand of a left foot".

The win pulls Villa away from the relegation zone and to within a point of Newcastle who sit in 14th.

They needed the win after copping three defeats on the bounce that made them look like real relegation candidates.

And Bruce says he was happy to return to Villa despite being sacked last year by the Brummies after just two months in charge.

He said: "All that's gone.

"I had a couple of really enjoyable years here. It's a big club, with big support and a big history.

"The disappointment for me, after playing so well of late, in the first half in particular, we were passive in everything we did.

"We didn't do enough with the ball, and most certainly without it.

"Up until the goal, the free-kick, there was nothing in the game.

Busy

"But then Conor, with two pieces of magic, which we all know he is capable of, has scored a great goal and then played in a great ball for the other."

Dean Smith admits his relief at getting back on the winning trail and is confident his team can climb the table by the end of the busy Christmas period.

He added: "It was a good performance, especially in the first half. We controlled the ball really well, dominated possession.

"We were pretty relentless with the ball, but patient as well because they banked in and made it difficult.

"If you keep chasing the ball then players get frustrated. I told my players to be patient, move at a good tempo and we ended up winning two free-kicks around their box.

"With Conor's wand of a left foot he ends up scoring one and makes another, so I'm really pleased.

"He's got a goal threat He wasn't happy when I left him out of the game at Manchester City. I understand why but it's a squad game and I have hard decisions to make."

DON'T TAKE THE MIK

Arteta going NOWHERE booms Pep

By JOHN ANTHONY

PEP Guardiola has warned Everton and Arsenal off making a move for Mikel Arteta.

The Manchester City assistant boss played for both clubs and would be a popular choice with the fans to take over the hotseat.

But Guardiola is more and more determined to keep hold of his No2 — who many think is being lined up as his successor at the end of next season.

Pep said: "Of course Arteta will be a manager sooner or later.

"We are going to finish the season but in the future I don't know what is going to happen.

"I would like him to stay with us. Manchester City has a person of incredible value to work here in the future.

"But professional desires are professional desires. Everyone is more than satisfied to have him here. He was an incredible player. The holding midfielder has a vision of what happens on the pitch.

"He is an incredible human and works a lot. I said after a few months he would be a manager.

"He is already a manager, he behaves like a manager."
